Department: National Infrastructure Railway School / IT & network

SNCF Réseau, Nanterre, France

- Developed web application

Web: Bootstrap, Php, MySQL **Conception :** UML

EDUCATION

2021 Ingénieur ESIEE Paris
Eq. MEng. (Hons, GPA : 17.66/20, rank : 1st)

Major 1 : Generalist Engineering
Major 2 : Computer Sciences
ESIEE Paris – University Gustave Eiffel

Certification : TOEIC & Voltaire

Activities : Elected at the student life committee

Distinction : 3rd price Game Jam

2019 Licence de Droit, Economie & Gestion
Eq. BA of Arts (Hons)

Major 1: Law, Economy & Management
Major 2: Computer Sciences & Management
University Paris-Est-Créteil

Certification : CyberEdu (ANSSI)

2017 DUT Informatique
Eq. 2 Years diploma in Computer Sciences

IUT – University Sorbonne Paris Nord

COMPETENCES

COMPUTER

*Image Processing / Artificial Intelligence /
Machine Learning / Virtual Reality / DEVOPS /
WEB / Bio-informatics*

Database: Oracle, MySQL, Postgre, SQL Server

Data Mining: Power BI (hors Streaming)

Object: JAVA (dont Spring), Python, C++, C#

Continue integration: Jenkins

Machine Learning library (Python): Numpy, Scikit-learn,
Pandas, Matplotlib

Image Processing library: OpenCV (C++ & Python)

Mobile: Android (Java & Kotlin)

Modelisation: UML

PaaS: Docker, Kubernetes

Test & inspection: Selenium, SonarQube

WEB: HTML, CSS, Bootstrap, PHP, Spring

3D: Unity, Mozilla Hub, SharePoint spaces

LANGUAGE

French: Native

English: Professional

Spanish: B2

Tamoul: Good level

Arabic: A2

MANAGEMENT

*Project Management / Communication /
Presentation*

Project Management: Agile, Waterfall

Agile: KANBAN, SCRUM

Scheduling: GANT

Conception: MERISE, BPML

Software: Trello & Jira (Atlassian), MS Project

ELECTROMECHANICAL

*Conception / Simulation /
Vibration / Signal Processing*

Mechanic: Solidworks, Meca 3D

Electronic: PSPICE, MATLAB, VHDL

OTHER

ERP: SAP Hanna, Oracle People Soft

Office: Google & Office 365

Law: EU GDPR, French DIL

PROFESSIONAL REFERENCES

Original

Ansary est quelqu'un de très impliqué dans son travail, son organisation et son adaptabilité au sujet qu'on lui propose lui sont d'un grand atout dans son aptitude à gérer un groupe. J'ai pris beaucoup de plaisir à avoir Ansary dans mon équipe, on s'y attache très vite.

Translation

Ansary is someone very involved in his work, his organization and his adaptability to the subject that is proposed to him are a great asset in his ability to manage a group. I really enjoyed having Ansary in my team, we get attached to him very quickly.

Nabil AMAR on LinkedIn

Business Intelligence Consultant at CGI, Ex-president of RP13 NGO

Nabil AMAR was the manager of Ansary MARECAR at RP13 NGO

Original

« ... il a fait preuve de beaucoup de compétences et de sérieux sur le plan informatique, mais également sur le plan relationnel. Nous souhaitons donc le remercier pour le travail apporté au département ... »

Translation

"... He showed a lot of skills and seriousness on the computer and relational level. We would therefore like to thank him for his work he has brought to the department ..."

Gérard CADET

Gerard.cadet@sncf.fr

Ex-Director of SNCF Réseau Railway Paris School

Ansary MARECAR has worked for Gérard Cadet and Stéphane POUROL

& Stéphane POUROL

stephane.pourol@sncf.fr

Manager

Original

« Il a su exercé ses fonctions avec discernement et rigueur, tout en y apportant beaucoup de motivation et de dynamisme. Il était particulièrement apprécié par ses collègues et sa direction, notamment pour sa capacité d'intégration rapide. »

Translation

"... He was able to carry his functions with discernment and rigor, while bringing a lot of motivation and dynamism. He was particularly appreciated by his colleagues and his hierarchy, notably for his ability to integrate quickly."

Sébastien COUSSY

sebastien.coussy@sncf.fr

IT services manager

Sébastien Coussy was the manager of Ansary Marecar

Other manager
